In the center, a diagram illustrates the software's workflow: it takes input from various sources (Word Documents, PDF Files, Any other text files, Emails, and Web pages) and processes it through a software interface (shown as a screenshot of the Verbose application) to produce audio output. On the right, a list of output options is provided: "listen from your computer or save as mp3 to playback later", "Listen on your portable mp3 player.", "Burn to CD and listen from a CD player or in your car.", and "Listen from an mp3 compatible mobile phone, Palm PC or Blackberry." A large red and yellow "50% OFF" badge is prominently displayed over the right side of the diagram.
