The banner features a QR code on the left, a 'SALE Sep 2024' badge below it, and a '15% OFF' badge on the right. The central text reads 'WinZip Self-Extractor 4.0'. Below this is a screenshot of the software's registration window, which includes the following text:

WinZip Self-Extractor

Welcome to WinZip Self-Extractor!

This program creates self-extracting Zip files. These files are useful for software distribution and for sending documents or graphics to colleagues or clients who may be unfamiliar with compression. End users without an unzip program can just click on a self-extracting Zip file to unzip it with a familiar Windows interface.

Features include:

- * Easy distribution of one or more compressed files
- * Specify your own icon and command to run after unzip
- * Specify run as user or as administrator
- * Supports WinZip strong (AES) encryption
- * Supports WinZip 'best method' compression
